

# HOME EFFICIENCY REBATES

The Los Angeles Department of Water and Power is continuing its residential Consumer Rebate Program (CRP) to promote energy-efficient products. This program is designed to both educate and encourage LADWP residential customers to purchase and install qualifying products in their homes.

**QUALIFYING PRODUCT CATEGORIES:** Refrigerators, Room Air Conditioners, Windows, Pool Pumps and Motors, Central Air Conditioning Systems, Cool Roofs and Whole House Fans.

## CONFIRM REBATE ELIGIBILITY BEFORE MAKING YOUR PURCHASE.

Complete this application after both purchasing and installing your high efficiency product or recycling your refrigerator/freezer and receive a rebate. All applications must be postmarked within 12 months of purchase or recycling date. All rebates are for purchases made or refrigerator recycled after September 30, 2010.

See inside for details, or visit our website at [www.ladwp.com/crp](http://www.ladwp.com/crp)

## CONSUMER REBATE PROGRAM (CRP) TERMS AND CONDITIONS

1. **I have met all program requirements, I have attached a copy of permits required (if any), and I am in compliance with my state/county/city governments', property owner's and /or homeowner's association requirements in my area regarding local conditions, restrictions, codes, ordinances, rules and regulations prior to installation.**

Initial

- 2. Funds are limited and rebates are not guaranteed. Applications are accepted on a first-come, first-served basis. The program may be modified or terminated without prior notice.
- 3. I understand the item(s) must be new and installed in the LADWP customer residence prior to submittal of this application. Resale units, units leased, rebuilt, rented, received from warranty insurance claims, won as a prize, or new parts installed in existing units do not qualify.
- 4. This signed and dated application, original paid receipt(s), invoice(s), or Home Improvement Contract, a copy of your LADWP bill (Page 1), and other required documentation must be sent to the LADWP Rebate Processing Center postmarked within 12 months of the purchase date printed on the sales receipt to be eligible for payment of a rebate.

- 5. I will provide, if requested, an LADWP representative reasonable access to my residence to verify the installed item(s) I have purchased before a rebate is paid. I understand that a rebate will not be paid if I refuse a verification inspection.
- 6. The rebate amount cannot exceed the purchase price nor can I receive a rebate for the same item or equipment from more than one California electric or gas utility. Customers may not receive more than one (1) LADWP rebate for any qualifying product.
- 7. I agree that the selection, purchase, installation and ownership/ maintenance of the item(s) and measure(s) listed in this application are my sole responsibility, and that the supplier or installer of these item(s) and measure(s) is not an agent or representative of LADWP.

I also understand that LADWP makes no warranty whether expressed or implied, including warranty of merchantability or fitness for any particular purpose, use, or application of the item(s) or measure(s).

I agree that LADWP has no liability whatsoever concerning (1) the quality, safety and/or installation of the item(s) or measure(s), including their fitness for any purpose, (2) the estimated savings of the item(s) or measure(s), (3) the workmanship of any third parties, (4) the installation or use of the item(s) or measure(s) including, but not limited to, effects on indoor pollutants, or (5) any other matter with respect to the Consumer Rebate Program. I agree that in no event shall LADWP's liability for property loss or damage resulting from its activities under this application exceed the total rebate amount paid to me under this application.

- 8. Alterations to properties in Historic Preservation Overlay Zones (HPOZ), including window replacement, must conform to the requirements established for those districts. Contact the Planning Department for information on requirements and permits if your property falls in one of the HPOZs.
- 9. If a tenant, I am responsible for obtaining the property owner's permission to install the measure for which I am applying for a rebate. My signature on this application indicates I have obtained this permission.
- 10. I understand that LADWP is not responsible for items lost or destroyed in the mail/transit.

I have read and understand the terms and conditions. I certify that the information I have provided is true and correct and the item(s) and/or equipment for which I am requesting a rebate meets the requirements listed on the rebate forms.

### g WHOLE HOUSE FANS

Whole house fans must be permanently installed in your home (connected to the framing) and must move at least 1,000 cubic feet of air per minute (CFM). The fan exhausts air from the living space into the attic, so it is important to make sure there is adequate attic ventilation to allow the air to easily escape. Care should be taken to avoid backdrafting combustion appliances that are installed in the conditioned space. Consult manufacturer's specifications to determine the proper size fan prior to purchase. Limited to one rebate per residence. Permit(s) required.
